

# Creating the world we imagine

Bruns Eco Village  
BRUNSWICK HEADS

Are you interested in living in community and pioneering one of the most innovative housing projects in Australia?

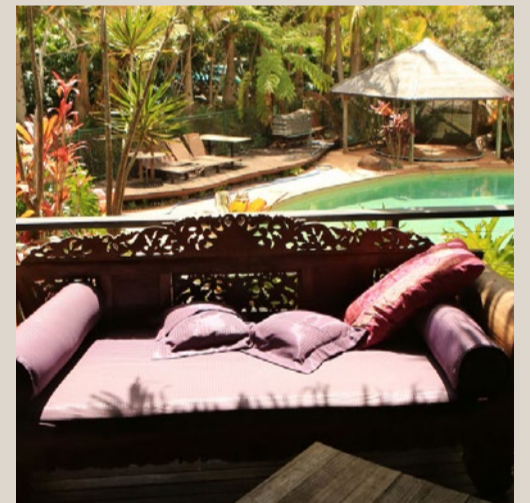

If so come join us for our weeklong **Village Development Program (VDP)** in Byron Hinterland's Paradise One in February 2018.

The Bruns Eco Village caravan is inviting passengers aboard.

*"The whole idea and structure of the eco village is brilliant and highly relevant to the future. It's way ahead of anything else that's out there. It's a beacon, a model for the future. I'm very enthusiastic about what I see as a new paradigm for living."*

Andrew Paterson

## THE VILLAGE DEVELOPMENT PROGRAM

**February 5 - 11, 2018 - Paradise One Retreat**

The Village Development Program is a unique workshop covering the richest topics related to creating and living in community. Our guest speakers are international experts in ecovillage design, community development, alternative economics and more.
